

**A LEVEL RESULTS DAY – 13<sup>th</sup> August 2020**

Dear Parent,

I hope that you are all as well and safe as the situation we find ourselves in allows. I know from first-hand experience what it has been like at home with a child expecting to have undertaken external examinations this year and the rollercoaster of emotions that followed their cancellation.

In planning this year’s exam results day, I had to ensure that it was safe, fair to all students and that next steps support is available as quickly as possible for those who request it. To help with this I have split the morning into two sessions, but kept these as short as I can. I have also split this between two rooms to allow pupils and staff to space out.

The table below should help all students see where they need to be and at what time.

Session	Form	Time to Arrive	Results will be handed out in
1	13AC/JBW	0800	Dining Room
1	13MH	0800	Library
1	13EMN	0800	Dining Room
2	13HH	0830	Library
2	13PH	0830	Dining Room
2	13JCR	0830	Library
2	13SR	0830	Dining Room

The forms that receive their results in the dining room are to enter the school via the rear dining room doors, and the forms that are in the Library are to enter the school through the main reception entrance.

There will be staff on hand, including dedicated careers advice, to help with next steps, we can offer the school WiFi to support this, but we will be unable to allow students to use the school IT equipment. This support will be arranged in the Year 10 social area.

To limit the amount of people in the halls at any one time I have to insist that parents and guardians stay in their cars. I know this will be difficult, but should your son or daughter wish to open their results inside the school I can assure you that pastoral support will be available if needed.
